Dear Members,

The semester is coming to a close, and we would like to thank you for a successful semester!

In addition, thank you for a successful month! We had a good number of volunteers throughout PES Week and overwhelming success with all of our projects.

We appreciate you taking your time out from classes, studying, work and life in general. Without our members, we could not be the strong chapter that we are.

Be on the lookout for more exciting opportunities in the spring! We look forward to seeing you there!
