Greetings,

Time flies when you are having fun! It just seemed like it was only yesterday when the month of January began! We are in February now, so that means its announcement time.

On the 14th and 20th, we are having our first General Body meetings of the semester! Alijah Walker, the Marietta Social Events Coordinator, is doing communication theme meetings, and I do hope that everyone can go. It will be a great time! Just as a reminder, the General Body meeting on the 14th will be located on the Kennesaw Campus in the Social Science Building, Room 2021. The General Body meeting on the 20th will be on the Marietta campus in the Student Center University, Room A216.

Interested in applying for a Phi Eta Sigma Scholarship? The application period started on February 1st. Check out the requirements and the online application form at the National Phi Eta Sigma website: [www.phisetasigma.org](http://www.phisetasigma.org). Remember, your final

application must be approved by a KSU Chapter Adviser. [More details on the chapter scholarship screening process will follow. \(The deadline for the Chapter screening committee to receive applications is April 15, 2019.\)](#)

Just as a reminder, the t-shirt contest is still going on! The t-shirt design applications have been sent out which contain the criteria for the artwork. For those who participate in the design, you will be awarded 2 service points. The winner of the competition will receive 2 points and a \$30 Amazon gift card! The deadline for submitting designs is February 21st at 12:00 a.m.

Peeking into the month of March, we are having the Induction Ceremony on the 16th! In order to pull off Induction, we need your help. More information about volunteering to help will be sent out closer to the event date, but please be thinking about helping! If you do help, you will be awarded with 4 points.

Hopefully, the semester has been in your favor and I hope to see you at some of the events.

Sincerely,

William Davis, President

# Cocoa and Cookies

We had potential members like Bhumika Shashtry, Malvika Shastry and Vanessa Sunar join us to learn more about Phi Eta Sigma!

Thank you to our members that volunteered to help make this event possible!

Thank you to everyone who stopped by!
